Subject: Transportation Improvement Program Amendments  
East-West Gateway Council of Governments

Dear Mr. South:

The Federal Highway Administration (FHWA) approves the amendments to the FY 2016-2019 East-West Gateway Council of Governments (EWGCOG) Transportation Improvement Program, and the FY 2015-2018 Statewide Transportation Improvement Program (STIP) as submitted with your letter dated January 29, 2016.

Based on the FHWA Illinois Division's ongoing Federal oversight of the planning activities at the EWGCOG Metropolitan Planning Organization, we find that the transportation planning process of this region substantially meets the planning requirements described in 23 CFR 450. We can now consider project authorization requests related to this STIP amendment.

Sincerely,

Elizabeth R. Tracy

Attention: Betsy Tracy

Dear Ms. Batey:

Attached for your approval and use in accordance with paragraph 23 CFR 450.326 is a copy of amendments to the 2016-2019 Transportation Improvement Program for the East-West Gateway Council of Governments. The Board of Directors of the MPO approved this TIP amendment on January 27, 2016.

The Metro-East region has committed itself to the integration of transportation and air quality planning. To this end, the MPO has developed procedures for incorporating air quality objectives into the transportation planning process. The TIP amendments, being transmitted by this letter, are in accordance with USDOT metropolitan regulations and USEPA transportation conformity regulations. The MPO has determined that the TIP amendments are in conformance with the State Implementation Program. The changes resulting from these amendments have no effect on the emissions estimates made for the region's conformity determination.

We consider the estimate of costs included in the Transportation Improvement Program to be realistic. We concur with the fiscal consistency analysis included in the TIP. The total cost of the TIP remains consistent with the amount of funds expected to be available to this area during the TIP time period. The Department, on behalf of the Governor of Illinois, concurs with the projects listed in this TIP.

The State of Illinois would also like to amend its FY 2015-2018 Statewide Transportation Improvement Program (STIP) to incorporate this amendment to the East-West Gateway Council of Governments 2016-2019 TIP.

Sincerely,
