ADVOCACY IN ACTION

2020 Annual Report

About Us

Citizens for Modern Transit (CMT) is the region's transit advocacy organization. It was established in 1985 to help bring light rail to St. Louis and works to develop, support and enhance programming and initiatives to ensure safe, convenient and affordable access to the region's integrated public transportation system.

- Established in 1985 to help bring light rail to St. Louis
- Staff of three
- Develops programing to support transit and transit providers across Missouri and parts of Illinois
