Air Quality Conformity Determination

- Projects must be analyzed to determine conformity with air quality plans and budgets
- All projects must be included in the analysis - - significant projects are “called out” and scrutinized
- Projects not included in the analysis can not progress toward implementation
- Analysis ongoing – will be completed by June 28

Public Engagement

Public comment period – June 30-August 2

- TIP, Air Quality documents, and a short summary presentation will be posted to East-West Gateway website starting June 30
