FY 2022-2025
Transportation Improvement Program
& Air Quality Conformity Determination

SEPTEMBER 2021

Transportation Improvement Program

Annually updated program of projects

Projects must be included in the TIP to access federal funds

Board adopted policies utilized to develop the document

Transportation Improvement Program

Includes description of projects, total cost, and federal funds proposed to be obligated

- Found in Appendix B of TIP

Demonstrates fiscal constraint

Transportation Improvement Program

Program	# of Projects	Total Cost ($ millions)
IDOT	84	$982
MoDOT	238	$1,435
Transit	183	$944
Local-IL	118	$185
Local-MO	273	$526
Total	**896**	**$4,072**

Air Quality Conformity Determination

- Projects must be analyzed to determine conformity with air quality plans and budgets
- All projects must be included in the analysis - - significant projects are “called out” and scrutinized
- Projects not included in the analysis can not progress toward implementation

Now Accepting Public Comments September 10 – October 11

Accepting public comments on:

- Draft FY 2022-2025 TIP
- Air Quality Conformity Determination

Documents and comment form available at:

- www.ewgateway.org/tipcomments

Next Steps

Following comment period:
