Re: FY2018-2021 Illinois STIP Amendment Requests, dated November 6, 2017

Dear Ms Ostdick:

The Federal Transit Administration (FTA) has reviewed the State Transportation Improvement Program (STIP) amendment requests submitted via correspondence dated November 6, 2017. The requests add projects pursuant to changes made to the Transportation Improvement Programs (TIPs) for Kankakee Area Transportation Study and the East-West Gateway Council of Governments (for Madison County Transit).

The amended TIPs has been endorsed by the appropriate Metropolitan Planning Organizations (MPOs). The public transportation projects listed in the amendment reports for each TIP are eligible for FTA funding.

We have determined that the amendments to the corresponding TIPs and STIP for public transportation projects is financially constrained and consistent with the relevant MPOs and statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450, and are exempt from the air quality conformity determination process. The project additions are approved for the FY2018-2021 STIP.

If you have any questions concerning this STIP amendment approval, please contact me at (312) 353-1646. Thank you.

Sincerely,

Tony Greep

Subject: Transportation Improvement Program Amendments
East-West Gateway Council of Governments

Dear Ms. Aleman:

The Federal Highway Administration (FHWA) approves the amendments to the FY 2018-2021 East-West Gateway Council of Governments (EWGCOG) Transportation Improvement Program, and the FY 2015-2018 Statewide Transportation Improvement Program (STIP) as submitted with your letter dated October 25, 2017.

Based on the FHWA Illinois Division's ongoing Federal oversight of the planning activities at the EWGCOG Metropolitan Planning Organization, we find that the transportation planning process of this region substantially meets the planning requirements described in 23 CFR 450. We can now consider project authorization requests related to this STIP amendment.

Sincerely,

Elizabeth R. Tracy
Transportation Planning Specialist

October 25, 2017

Ms. Catherine A. Batey
Division Administrator
Federal Highway Administration
3250 Executive Park Drive
Springfield, Illinois 62703

Attention: Betsy Tracy

Dear Ms. Batey:

Attached for your approval and use in accordance with paragraph 23 CFR 450.326 is a copy of amendments to the 2018-2021 Transportation Improvement Program for the East-West Gateway Council of Governments. The Board of Directors of the MPO approved these TIP amendments on October 25, 2017.

The Metro-East region has committed itself to the integration of transportation and air quality planning. To this end, the MPO has developed procedures for incorporating air quality objectives into the transportation planning process. The TIP amendments, being transmitted by this letter, are in accordance with USDOT metropolitan regulations and USEPA transportation conformity regulations. The MPO has determined that the TIP amendments are in conformance with the State Implementation Program. The changes resulting from these amendments have no effect on the emissions estimates made for the region's conformity determination

We consider the estimate of costs included in the Transportation Improvement Program to be realistic. We concur with the fiscal consistency analysis included in the TIP. The total cost of the TIP remains consistent with the amount of funds expected to be available to this area during the TIP time period. The Department, on behalf of the Governor of Illinois, concurs with the projects listed in this TIP.

The State of Illinois would also like to amend its FY 2015-2018 Statewide Transportation Improvement Program (STIP) to incorporate this amendment to the East-West Gateway Council of Governments 2018-2021 TIP.

Sincerely,

Holly Ostdick

RE: FY 2018-2021 Transportation Improvement Program Modifications

Dear Mr. Kelso:

At its October 25, 2017 meeting, the East-West Gateway Council of Governments' Board of Directors modified the Council's FY 2018-2021 Transportation Improvement Program (TIP). The Board approved adding ten new projects, and modifying one project.

The enclosed memo and project summary detail the approved modifications. At your request, minutes confirming the actions will be forwarded to your office.

We request that the State Transportation Improvement Program be adjusted to reflect these changes so that the projects can proceed toward implementation. If you have any questions concerning the modifications, please contact us.

Sincerely,

Rachael Pawlak

Subject: Modification of the FY 2018-2021 Transportation Improvement Program (TIP), *Connected2045*, and the Related Air Quality Conformity Determination – Requested by Illinois and Missouri Sponsors

Date: October 10, 2017

The Illinois Department of Transportation (IDOT), Missouri Department of Transportation (MoDOT), Madison County Transit District (MCTD), and City of Washington have requested modifications to the FY 2018-2021 TIP, *Connected2045*, and related Air Quality Conformity Determination. In all, they are requesting to add 14 new projects and five scoping projects, modify one project, and remove one project.

Illinois New Projects

MCTD has requested to add one new project to the FY 2018-2021 TIP. The funding for this project is coming from previously unallocated Section 5307 funds. Transit agencies receive Section 5307 funding for projects such as replacement of buses that have reached the end of their service life as well as vehicle maintenance and other improvements to transit facilities.

IDOT has requested to add nine new projects. Four projects are funded through the Highway Safety Improvement Program (HSIP) set-aside (TIP# 6686-17). These projects are addressing safety issues by reconstructing shoulders and replacing guardrail end sections. The remaining five projects are funded through bid savings on previously awarded projects from IDOT's FY 2018 program, which began July 1, 2017.

The new projects are summarized on the next page:

New Projects - Illinois					
Sponsor / TIP #	**Title – Limits**	**Description of Work**	**County**	**Federal Cost**	**Total Cost**
IDOT / 6804U-18	IL 161, I-255, US 50 – IL 161 Over Silver Creek Overflow 1.8 Mi E/O IL 158, I-255 Over McBride Ave, I-255 Ramp Over Blue Water Ditch	Bridge Painting	St. Clair	$223,000	$291,000
IDOT / 6804V-18	I-70/US 40 – Baumann Rd	New Bridge Deck	Madison	$900,000	$1,000,000
			TOTAL	**$10,527,400**	**$12,150,000**

Illinois Modified Project

IDOT has requested to modify one project in the FY 2018-2021 TIP.

This project is summarized below:

Modified Project - Illinois				
Sponsor / TIP # / County	**Project Title - Limits**	**Description of Work**	**Current Cost/ Revised Cost**	**Reason for Change**
IDOT / 6649-19/ St Clair	IL 15 – Richland Creek 1 Mi E/O IL 159	New Bridge Deck	$4,000,000 / $5,500,000	Engineering estimate for construction is higher than anticipated

Missouri New Projects

The City of Washington is requesting remove its Westlink Drive resurfacing project from the FY 2018-2021 TIP (TIP# 6790-17) and replace it with a sidewalk project along West Main. The project is funded with Surface Transportation Program – Small Urban (STP-N). STP-N funds are allocated to cities that are not within the urbanized area, but have a population greater than 5,000.

MoDOT is requesting to add three new projects. MoDOT is using bid savings on previously awarded projects from its FY 2018 program, which began July 1, 2017. As well as Federal Lands Access Program (FLAP) to raise the southbound lanes and add a signalized intersection along US 67. FLAP provides resources for transportation facilities that improve access to, are adjacent to, or are located within Federal lands. FLAP projects are selected by a Programming Decision Committee established in each State. MoDOT intends to use advance construction[1] for two projects meaning that the projects will initially be funded with 100% state funds from MoDOT's operations budget until federal funds become available.

These projects are summarized below:

New Projects - Missouri					
Sponsor / TIP #	**Title – Limits**	**Description of Work**	**County**	**Federal Cost**	**Total Cost**
Washington/ 6790A-18	West Main Street - Sidewalk – North Side of West Main from Catawba Pl to Tiemann Dr	New Sidewalk	Franklin	$120,518	$150,647
MODOT / 6852S-18/ 6852SS-18	US 67 – Mississippi River to N/O Machens Club Dr	Raise Southbound Lanes & Add Signalized Intersection	St. Charles	$2,802,400	$3,228,000
MODOT / 6788E-17	OR 44 – 0.3 Mi E/O Williams Rd	Repair Votaw Levee	St. Louis	$0	$1,092,000
MODOT / 6788F-17	MO 364 – 0.7 Mi W/O to 0.5 Mi E/O Mid Rivers Mall Drive	Pavement and Shoulder Improvements	St. Charles	$0	$1,493,000
			TOTAL	**$2.922,918**	**$5,963,647**

[1] Advance construction is a mechanism that enables a sponsor to start construction using non-federal funds, with the understanding that it may later convert the project to federal-aid funding and receive federal reimbursement. To be eligible for conversion, the project must qualify for federal funds.

Missouri Scoping Projects

MoDOT is requesting to add five new scoping projects to the FY 2018-2021 TIP. MoDOT's scoping policy is intended to ensure that projects have defined scopes and construction cost estimates before they are committed to the TIP. At this time, there is no construction funding committed to these projects and the projects entail preliminary engineering only (30 percent engineering). MoDOT intends to use advance construction for these scoping projects.

The scoping projects are summarized below:

Scoping Projects - Missouri					
Sponsor / TIP #	**Project Title - Limits**	**Description of Work**	**County**	**Fed/Total Cost for Design**	**Est. Cost Range for Construction**
MODOT / 6852O-18	MO MM – MO 100 to MO T	Pavement Resurfacing, Curve Corrections, Replace Culvert, Guardrail Upgrades	Franklin	$0/ $275,000	$2 million to $5 million
MODOT / 6852P-18	MO YY – MO Y to MO 185	Pavement Repair & Guardrail Upgrades	Franklin	$0/ $250,000	$1 million to $2 million
MODOT / 6852Q-18	MO OO – MO 100 to First Street	Pavement Resurfacing & Guardrail Upgrades	Franklin	$0/ $250,000	$2 million to $5 million
MODOT / 6852R-18	US 61 – I-55 to St Genevieve County Line	Pavement Resurfacing & Guardrail Upgrades	Jefferson	$0/ $175,000	$2 million to $5 million
MODOT / 6852T-18	MO 364 – Jungs Station Rd to Missouri River	Ramp Additions (Slip Ramp) & Striping	St. Charles	$0/ $20,000	$2 million to $5 million

Staff Recommendation: Staff recommends that the FY 2018-2021 TIP, *Connected2045*, and related Air Quality Conformity Determination be revised to add 14 new projects, add five scoping projects, modify one project, and remove one project as summarized above and detailed in the attachment. These projects are not regionally significant, or are exempt with respect to air quality in accordance with federal regulations (40 CFR 93.126).
