Subject: Transportation Improvement Program Amendments
East-West Gateway Council of Governments

Dear Ms. Bieneman:

The Federal Highway Administration (FHWA) approves the amendments to the FY 2020-2023 East-West Gateway Council of Governments (EWGCOG) Transportation Improvement Program, and the FY 2018-2021 Statewide Transportation Improvement Program (STIP) as submitted with your letter dated March 25, 2020.

Based on the FHWA Illinois Division's ongoing Federal oversight of the planning activities at the EWGCOG Metropolitan Planning Organization, we find that the transportation planning process of this region substantially meets the planning requirements described in 23 CFR 450. We can now consider project authorization requests related to this STIP amendment.

Sincerely,

Elizabeth R. Tracy
Transportation Planning Specialist

Division Administrator
Federal Highway Administration
3250 Executive Park Drive
Springfield, Illinois 62703

Attention: Betsy Tracy

Dear Ms. Kocher:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.326 are copies of amendments to the 2020-2023 Transportation Improvement Program for the East West Gateway Council of Governments (EWGC). At its January 29, 2020 meeting, the EWGCs' Board of Directors amended the Council's FY 2020-2023 Transportation Improvement Program (TIP). The Board approved the addition of new projects for Illinois sponsors We consider the estimate of costs included in the Transportation Improvement Program to be realistic. We concur with the fiscal consistency analysis included in the TIP. The total cost of the TIP remains consistent with the amount of funds expected to be available to this area during the TIP time period. The Department, on behalf of the Governor of Illinois, concurs with the projects listed in this TIP.

The State of Illinois would also like to amend its amended FY 2018-2021 Statewide Transportation Improvement Program (STIP) to incorporate this amendment to the EWGC 2020-2023 TIP.

Sincerely,

Holly Bieneman

MAR 13 2020

Mr. Mokhtee Ahmad
Regional Administrator
Federal Transit Administration
901 Locust Street, Room 404
Kansas City, Missouri 64106

Dear Mr. Ahmad:

This letter responds to your March 10, 2020, request for review and conclusion regarding the Mid-Year Air Quality Conformity Determination for 8-Hour Ozone for the St. Louis area. The Conformity Determination relates to the St. Louis Region, the amendment to the FY 2020-2023 Transportation Improvement Plan, and related amendments to the Connected 2045 Long Range Transportation Plan. The East-West Gateway Council of Governments Board of Directors approved the conformity determination on January 29,2020.

The Conformity Determination and supporting documents were reviewed by the U.S. Environmental Protection Agency Region 7 staff. The EPA finds that the Conformity Determination analysis meets the requirements of the Transportation Conformity Regulations (40 CFR Part 93).

If you have any questions or concerns, please contact Jed Wolkins at (913) 551-7588, or wolkins.jed@epa.gov.

RE: FY 2020-2023 Transportation Improvement Program Amendments

Dear Mr. Caldwell:

At its January 29, 2020 meeting, the East-West Gateway Council of Governments' Board of Directors amended the Council's FY 2020-2023 Transportation Improvement Program (TIP). The Board approved the addition of 76 new projects for Illinois sponsors pending no adverse public comments. These projects and the related Air Quality Conformity Determination were taken out for public comment from January 14 to February 13, 2020. No comments were received on the Illinois projects.

The enclosed memo and project summary detail the approved amendments. At your request, minutes confirming the action will be forwarded to your office.

We request that the State Transportation Improvement Program be adjusted to reflect this change so that the projects can proceed toward implementation. If you have any questions concerning the amendments, please contact us.

Sincerely,

Rachael Pawlak
Senior Manager

Memo to: Board of Directors

From: Staff

Subject: Mid-year Air Quality Conformity Determination and Documentation for the FY 2020-2023 Transportation Improvement Program and related amendments to the Metropolitan Transportation Plan, *Connected2045*, and amendments to the FY 2020-2023 Transportation Improvement Program

Date: January 14, 2020

FY 2020-2023 Transportation Improvement Program Amendment
The Illinois Department of Transportation (IDOT), the Missouri Department of Transportation (MoDOT), and the City of Troy, Illinois are requesting to modify the FY 2020-2023 TIP. The description, project limits and costs for these projects by phase of work are summarized in the attachments to this memo.

IDOT Program Summary
The Governor of Illinois signed the Rebuild Illinois capital plan into law in June 2019. At $45 billion, Rebuild Illinois is the largest capital program in State history and funds roads, bridges, multimodal facilities and transit over the next six years. When the FY 2020-2023 TIP was approved in August 2019, the Governor of Illinois had not yet released IDOT's program. The Governor released the program on October 21, 2019. IDOT is requesting to amend the FY 2020-2023 TIP to add 67 projects at a total cost of $800.6 million. Included in this amendment are 45 new projects and 22 reprogrammed projects from the FY 2019-2022 TIP. The IDOT projects in this amendment are summarized in **Attachment A**.

IDOT's program also includes eight scoping/engineering-only projects. No construction funds have been committed for these projects in the four years of the TIP. These eight projects are summarized in **Attachment B**.

City of Troy
The City of Troy was recently awarded funding through the Highway Safety Improvement Program (HSIP), which is administered by IDOT. The funds will be utilized to construct a left turn lane on Troy-O'Fallon Road at County Lane. The purpose of HSIP is to achieve a significant reduction in traffic fatalities and serious injuries on all public roads. HSIP projects are selected after a statewide review and

618-274-2750
Fax 314-231-6120

webmaster@ewgateway.org
www.ewgateway.org

competition. This project is summarized in **Attachment C**.

MoDOT Program Summary
MoDOT is requesting to amend the FY 2020-2023 TIP to add one new project and to advance one project from FY 2021 to FY 2020. These projects are listed in **Attachment D**.

MoDOT is also requesting to add five new scoping projects to the FY 2020-2023 TIP. MoDOT's scoping policy is intended to ensure that projects have defined scopes and construction cost estimates before they are committed to the TIP. At this time, there is no construction funding committed to these projects and the projects entail preliminary engineering only (30 percent engineering). These projects are summarized in **Attachment E**.

Air Quality Conformity Determination and Documentation
The air quality conformity process is intended to ensure that the programs and activities proposed in the long-range transportation plan (*Connected2045*) and Transportation Improvement Program (TIP) conform to State Implementation Plans(statewide air quality plans), which set out benchmarks against which progress is measured in meeting National Ambient Air Quality Standards for cleaner and heathier air. Under the regulations, the Council is the agency responsible for conducting the conformity determination.

The conformity analysis is completed during the annual TIP update and also during the long-range transportation plan update. The last conformity analysis was completed in August 2019. Projects that receive the most scrutiny during the conformity process are referred to as regionally significant. Examples of regionally significant projects include new roads, new interchanges or adding lanes to existing roads (i.e. projects that add capacity to the transportation system). If a TIP amendment includes a project that adds capacity to the system, the Council is required to make a new conformity determination. If a capacity-adding project is not included in the conformity analysis, it cannot be added to the TIP.

The proposed amendments to the FY 2020-2023 TIP and related amendments to *Connected2045* require a new conformity determination. Regionally significant projects in the amendment with construction programmed are shown on the next page.

Sponsor – Title - Description	County	TIP#	Page # in Attachment
IDOT- I-270 – Mississippi River to Chain of Rocks Bridge – additional lanes, resurfacing	Madison	6672B-23	A-1
IDOT – I-270 over Mississippi River – new bridge (additional lane planned)	Multi-state	6446-15	A-8
IDOT – I-64/US 50 – West of Greenmount Rd to 1.1 miles west of IL 158 – preliminary engineering, add lanes, resurfacing, bridge repair	St. Clair	6109A-21	A-14
IDOT – IL 158 relocated – IL 177 to IL 161 – new road	St. Clair	6988B-21	A-15
IDOT – Lebanon Bypass – IL 4 to US 50 east of Lebanon – preliminary engineering, utility relocation, land acquisition	St. Clair	6448-15	A-16
MoDOT – MO 364 – Jungs Station Rd to Missouri River – add westbound lane	St. Charles	6852T-18	C-1

There are four projects that are regionally significant, but have only preliminary engineering funds programmed in the amendment to the FY 2020-2023 TIP. Although construction is not funded at this time, these projects have been included in the conformity determination as it will enable these projects to start land acquisition once preliminary engineering has progressed far enough. These projects are:

Sponsor – Title - Description	County	TIP#	Page # in Attachment
IDOT – US 40 – Formosa Rd to Bethany Dr – preliminary engineering	Madison	6988F-21	B-1
IDOT – IL 3 Connector – Collinsville Rd to IL 3/N First St – preliminary engineering	St. Clair	4707A-17 4707B-17	B-2
IDOT – IL 3 relocation – 0.1 mile south of River Park Connector to Monsanto Avenue – preliminary engineering	St. Clair	6988A-21 6988C-21	B-2
MoDOT – I-55 -0.5 mile north of MO Z to 1 mile south of US 67 – preliminary engineering	Jefferson	6992H-20	D-2

Based on the conformity analysis, the projects included in the amendment to the FY 2020-2023 TIP and *Connected 2045* are found to be in conformity with the requirements of the Clean Air Act Amendments of 1990, the relevant sections of the Final Conformity Rule 40 CFR Part 93, and the Missouri State Conformity Regulations 10 CSR 10-5.480. The finding is documented in the *Air Quality Conformity Determination and Documentation for the Amendment to the FY 2020-2023 TIP and related amendments to Connected2045* document.

Public Participation
Public comment on the TIP amendment and Air Quality Conformity Determination began on January 14 and concludes on February 13. Information regarding the TIP amendment and Air Quality Conformity Determination have been posted to the Council's website. The public comment period concludes following the Board meeting. If adverse comments are received, they will be shared during the February Board meeting.

The Air Quality Conformity Determination, is available for download on the on the Council's website: http://www2.ewgateway.org/download/FY2020-2023-Mid-Year-Conformity.pdf

Staff Recommendation: Staff recommends approval of the mid-year Air Quality Conformity Determination and Documentation for the FY 2020-2023 Transportation Improvement Program and related amendments to the Metropolitan Transportation Plan, *Connected2045*, and amendments to the FY 2020-2023 Transportation Improvement Program pending no adverse public comments through the end of the comment period on February 13, 2020.
