

Regional Plan for Sustainable Development

March 27, 2013

St. Louis Regional
Sustainable
Communities

The Plan: OneSTL

- *Many Communities, One Future*
- *OneSTL advances a prosperous, healthy and vibrant future for St. Louis communities and the entire region.*

ONESTL
Many Communities. One Future.

Where We Are

- Since 2010, the partnership has --
 - Involved 180+ people in committee work
 - Hosted 33 public meetings involving 1,200 residents in 11 community planning areas (CPA) including 40+ municipalities
 - Developed Regional Data Sharing website: <http://stlouisdata.org/>
 - Produced 60+ separate reports or projects

2
