Bid Item 03-17-01 Tactical Headsets

Question: In the specifications you ask for 3M Peltor ComTac III Advance Combat Helmet (#MT17H682P3AD) or acceptable equivalent helmet mounted mic, are you referring to model MT17H682P3AD-47 GN or MT17H682P3AD-19 GN?

Answer: Model MT17H682P3AD-19 GN or acceptable equivalent.

Question: The bid specification indicates that the units must have push-to-talk adapters for the Motorola HT1250. This particular Motorola is extremely old – we are wanting to confirm that this is correct.

Answer: The team that will be receiving the headsets still utilizes the Motorola HT1250, and there are no plans for change in the near future.
