2016 Report to the Region:
Measuring Our Progress

PLAN FOR A PROSPEROUS, HEALTHY, VIBRANT ST. LOUIS REGION

WHAT'S INSIDE:
- Executive Summary
- Measuring Progress—Review of OneSTL Performance Indicators
- Sustainability Spotlights—Stories from across the region highlighting projects, initiatives and resources
- The OneSTL Network—Summary of the OneSTL Network and resources available
OneSTL – Regional Collaborations

- **Community Development**
  - Community Builders’ Network
  - St. Louis Community Foundation
  - Federal Partnerships
  - Invest STL

- **Food Access**
  - Missouri Foundation for Health
  - University Extensions
  - St. Clair County Health Dept.
  - East Side Health District
  - SIUE
  - United Way
  - Missouri Coalition for the Environment

- **Energy**
  - USGBC
  - Chamber’s – Environment and Energy Committee
  - Earthway’s Center
  - Madison County
  - Utilities

- **Blue-Gray-Green Infrastructure**
  - Botanical Garden
  - Heartlands Conservancy
  - Urban Vitality & Ecology
  - Our Missouri Waters
  - Great Rivers Greenway
OneSTL – Role in Regional Collaboration

- Define regional context.
  - Network/asset mapping
OneSTL – Role in Regional Collaboration

- Define regional context.
  - Network/asset mapping

- Neutral convener.
  - Bridge sector and jurisdictional gaps.
  - Exchange information and expertise.
  - Find and connect common efforts.
OneSTL – Role in Regional Collaboration

- Define regional context.
  - Network/asset mapping

- Neutral convener.
  - Bridge sector and jurisdictional gaps.
  - Exchange information and expertise.
  - Find and connect common efforts.

- Help attract new funding.
  - Partner on grants.
  - Avoid competition.
OneSTL – Role in Regional Collaboration

- Define regional context.
  - Network/asset mapping

- Neutral convener.
  - Bridge sector and jurisdictional gaps.
  - Exchange information and expertise.
  - Find and connect common efforts.

- Help attract new funding.
  - Partner on grants.
  - Avoid competition.

- Document Collaboration.
  - Through network mapping.
  - On-line communications platform.
  - Goal/Objective/Strategy summaries.
Blue – Gray – Green Infrastructure

- Blue infrastructure = the natural system of water ways and hydrologic cycle. *Also refers to engineering practices that mimic natural processes.*

- Gray Infrastructure = the built systems that convey water, humans, products, and by-products.

- Green Infrastructure = the nodes and corridors of vegetation. All of our natural resources. *Also refers to the site-scale installation of landscaping and other materials that recreate natural processes.*
Blue – Gray – Green Infrastructure
Blue – Gray – Green Infrastructure

- Great Rivers Greenway Dist.
- Metro East Parks & Rec
- Heartlands Conservancy
- MSD & other sewer districts
- MO Botanical Gardens
- Area Counties
- City of St. Louis
- Area Levee Districts
- MDNR, MDC, IEPA, IDNR
- Water Infrastructure Partnership
- Municipalities
- The Nature Conservancy
- Sierra Club
- Trailnet
- Deer Creek Watershed Alliance
- Missouri Coalition for the Environment
Blue – Gray – Green Infrastructure

- Identified as a “Regional Opportunity”
  - Huge role and impact of rivers.
  - Not defined by political boundaries.
  - Solutions rely on synergies and multi-functional approaches.
  - No current coordinated framework.
Blue – Gray – Green Infrastructure

- Identified as a “Regional Opportunity”
  - Huge role and impact of rivers.
  - Not defined by political boundaries.
  - Solutions rely on synergies and multi-functional approaches.
  - No current coordinated framework.

- Opportunity as a Regional Working Group
  - Reconcile separate planning initiatives.
  - Select priorities.
  - Contribute to plan updates.
  - Attract new funding.
  - Interacting with other OneSTL working groups.
Blue – Gray – Green Infrastructure

- Identified as a “Regional Opportunity”
  - Huge role and impact of rivers.
  - Not defined by political boundaries.
  - Solutions rely on synergies and multi-functional approaches.
  - No current coordinated framework.

- Opportunity as a Regional Working Group
  - Reconcile separate planning initiatives.
  - Select priorities.
  - Contribute to plan updates.
  - Attract new funding.
  - Interacting with other OneSTL working groups.

- Identified Issues to Resolve
  - Grasping the scale of BGG infrastructure
  - Formalizing the scope of Working Group activities
  - Similarities to Water Resources Advisory Committee
