The East-West Gateway Council of Governments (EWG) is pleased to provide the 2015 Public Officials Directory (POD). The directory is available online at www.ewgateway.org. The EWG website also contains additional local government resources and publications.

This bi-state reference guide contains contact information for key municipal and county elected officials and personnel for the eight counties in the St. Louis Metropolitan area as well as state elected officials, ambulance, fire, school districts and resource organizations. We hope you will find the directory helpful and informative.

We strive to keep the directory as current as possible, and your ongoing input helps us to ensure the accuracy of the information provided. Throughout the directory you will find a convenient PODupdate e-mail link at the bottom of the page that you can use to provide updates and corrections or please feel free to give us a call.

The POD is easy to navigate. Once you have opened the POD file, you can browse through its’ 200 pages or you can open Bookmarks (if it did not open automatically) to find a table of contents from which you can easily select the specific section in which you are interested. Any changes/corrections that we receive, during the year, will be noted with an indication of the date the change was made.

The POD is organized by state (Missouri and Illinois). The state sections include information for each county and city in that county. We have also included a listing of cities by county in the introduction to assist you in finding the jurisdiction for which you may be looking. Ambulance, Fire and School District information is also listed by county. At the end of each state section, are the contacts for all State and Federal Legislative officials serving our region. All federal and state listings will be updated following the November 2015 elections. Finally, we have included a listing of key regional, policy and resource organizations.

Use the search/find function on your computer to locate specific cities, specific people, meeting times or other details for which you may be looking. The Public Officials Directory is offered as a searchable, downloadable electronic resource. If you are interested in a printed copy, please contact Joyce Collins-Catling at 314-421-4220 or joyce.collins-catling@ewgateway.org.

We hope you find this a useful resource and welcome any suggestions or comments.

Sincerely,

Julianne Stone
Manager of Community Engagement and Local Government Services
