Mr. Mokhtee Ahmad  
Regional Administrator  
Federal Transit Administration  
901 Locust Street, Room 404  
Kansas City, MO 64106

Dear Messrs. Ward and Ahmad:

SUBJECT: St. Louis Metropolitan Area  
FY 2017-2020 Transportation Improvement Program  
East-West Gateway Council of Governments (EWG)  
Approval to Incorporate TIP Amendment 5 into the FY 2017-2021 STIP

As required by the 2015 Fixing America's Surface Transportation (FAST) Act, MoDOT received approval from Governor Greitens for a TIP amendment for the St. Louis metropolitan area, which includes the addition of 19 Metro 5310 projects 32 MoDOT scoping projects. It also includes the modification of one local project.

Enclosed is a copy of the Governor's approval letter and supporting documentation. The EWG Board of Directors approved the TIP amendments on March 29, 2017. All public involvement considerations have been met and fiscal constraint has been ensured.

We request approval of incorporating this TIP amendment into the FY 2017-2021 State Transportation Improvement Program (STIP) at your earliest convenience.

Sincerely,

Michael E. Henderson, AICP  
Transportation Planning Specialist

April 4, 2017

The Honorable Eric R. Greitens  
Governor of Missouri  
State Capitol  
Jefferson City, MO 65101

Dear Governor Greitens:

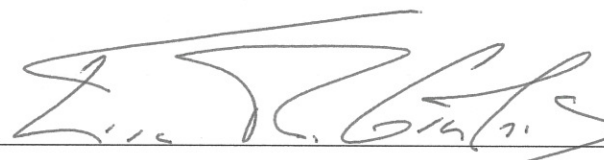

At its March 29, 2017 meeting, the East-West Gateway Council of Governments' Board of Directors approved an amendment to the FY 2017-2020 Transportation Improvement Plan (TIP) for the St. Louis, Missouri, metropolitan area. The TIP amendment covers the addition of 19 Metro 5310 projects and 32 MoDOT scoping projects. It also covers the modification of one local project. MoDOT is satisfied the federal requirements have been met in the development of this TIP amendment, including the opportunity for the public to comment on projects. No comments were received.

Enclosed is a copy of the TIP amendment for your review. We request approval of this action at your earliest convenience, so project authorization can proceed in the St. Louis metropolitan area.

Sincerely,

  
Patrick K. McKenna  
Director

Subject: Modification of the FY 2017-2020 Transportation Improvement Program (TIP), *Connected2045*, and the Related Air Quality Conformity Determination - Requested by Illinois and Missouri Sponsors

Date: March 14, 2017

The Illinois Department of Transportation (IDOT), Missouri Department of Transportation (MoDOT), and the City of Union have requested modifications to the FY 2017-2020 TIP, *Connected2045*, and related Air Quality Conformity Determination. In all, they are requesting to add two new projects, add thirty-two scoping projects, and modify four projects.

## Illinois New Projects

IDOT is requesting to add two new projects. The first project is for microsurfacing of I-270 at a cost of \$4.7 million. The second project is for resurfacing of IL 13 / IL 157 in Centreville at a cost of \$150,000. These projects are funded through bid savings from other projects programmed during the year.

The new projects are summarized below:

New Projects - Illinois					
Sponsor/ TIP #	Project Title	Description of Work	County	Federal Cost	Total Cost
IDOT/ 6797A-17	I-270 – 0.5 mi E/O IL 3 to 0.5 mi E/O I-55/I-70	Microsurfacing	Madison	\$0	\$4,700,000
IDOT/ 6797B-17	IL 13 / IL 157 – IL 163 to IL 13 E Jct	Resurfacing	St. Clair	\$0	\$150,000
<b>TOTAL</b>				<b>\$0</b>	<b>\$4,850,000</b>

Gateway Tower  
One Memorial Drive, Suite 1600  
St. Louis, MO 63102-2451

618-274-2750  
Fax 314-231-6120

webmaster@ewgateway.org  
www.ewgateway.org

### **Illinois Modified Projects**

IDOT is requesting to modify three projects currently programmed in the TIP. Two projects are being advanced from FY 2018 to FY 2017, and one project is being modified to reflect a cost increase due to a compressed schedule and additional work needed.

These modified projects are summarized below:

<b>Modified Projects</b>				
<b>Sponsor/ TIP #/ County</b>	<b>Route – Limits</b>	<b>Description of Work</b>	<b>Current Cost/ Revised Cost</b>	<b>Reason for Change</b>
IDOT/ 6787-17/ St. Clair	IL 15 – Over IL 157	Bridge Rehabilitation	\$1,500,000/ \$2,400,000	Cost increase due to compressed schedule and additional work needed on detour route
IDOT/ 6673-18/ Madison	US 40 – 0.2 mi w/o Formosa Rd to 0.2 mi e/o Bethany Ln	Resurfacing, ADA Improvements	\$2,400,000/ \$2,400,000	Advanced from FY18 to FY17
IDOT/ 5410-15/ Madison	I-55 – Over MCT Bike Trail 5 mi s/o IL 140	Bridge Deck Replacement	\$5,000,000/ \$5,000,000	Advanced from FY18 to FY17

### **Missouri Modified Projects**

The City of Union has requested to modify one project, due to an increase in construction costs. Union will use its remaining balance of \$121,801.06 of Surface Transportation Program – Small Urban (STP-N) funds for the additional costs. STP-N funds are allocated to cities that are not within the urbanized area, but have a population greater than 5,000.

The modified project is summarized on the following page:

Modified Projects				
Sponsor/ TIP #/ County	Route – Limits	Description of Work	Current Cost/ Revised Cost	Reason for Change
Union/ 6363-17/ 6363A-17/ Franklin	Denmark Road, Phase 2 – the	Resurfacing, Sidewalk, Bridge, Roundabout	\$1,429,376/ \$1,660,233	Increase in construction cost, funded with its allocation of STP-N (Small Urban) funds

### **Missouri Scoping Projects**

MODOT is requesting to add thirty-two new scoping projects. MODOT's scoping policy is intended to ensure that projects have defined scopes and construction cost estimates before they are committed to the TIP. At this time, there is no construction funding committed to these projects and the projects entail preliminary engineering only (30% engineering).

The new scoping projects are summarized in Attachment A.

**Staff Recommendation:** Staff recommends that the FY 2017-2020 TIP, *Connected2045*, and related Air Quality Conformity Determination be revised to add two new projects, add thirty-two scoping projects, and modify four projects as summarized above and detailed in the attachment. These projects are exempt with respect to air quality in accordance with federal regulations (40 CFR 93.126, 93.127)

**Subject:** Modification of the FY 2017-2020 Transportation Improvement Program (TIP), the Metropolitan Transportation Plan, *Connected2045*, and the Related Air Quality Conformity Determination – Section 5310

**Date:** March 14, 2017

East-West Gateway Council of Governments is requesting to revise the FY 2017-2020 Transportation Improvement Program (TIP), *Connected2045*, and the related Air Quality Conformity Determination to add 20 new projects.

**Section 5310**

East-West Gateway Council of Governments (EWG) released a solicitation in November 2016 for projects seeking Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310) Program funding. The Section 5310 Program provides funding to help improve the mobility of seniors and individuals with disabilities by removing barriers to transportation services and expanding the available transportation options. Section 5310 funds are apportioned to the St. Louis, MO-IL Urbanized Area. Approximately \$2.49 million is available for this solicitation. Federal law requires that not less than 55% of the Section 5310 funds be available for the Traditional projects and the remaining 45% may be used for New Freedom Type projects.

Traditional projects include the acquisition of accessible vehicles and related equipment used to transport seniors and individuals with disabilities. New Freedom Type projects include 1) public transportation projects that exceed the requirements of the Americans with Disabilities Act of 1990 (ADA), 2) public transportation projects that improve access to fixed-route service, and 3) alternatives to public transportation that assist seniors and individuals with disabilities. The Section 5310 Program requires a 20% local match for capital and mobility management projects and a 50% local match for operating projects. Eligible sponsors include non-profit organizations, local public entities, and operators of public transportation services.

Section 5310 projects selected for funding must be included in a locally developed, coordinated public transit-human services transportation plan. EWG's Coordinated Human Services Transportation Plan (CHSTP) identifies the transportation needs of

webmaster@ewgateway.org  
www.ewgateway.org

seniors and individuals with disabilities and provides strategies for meeting those needs. The CHSTP was updated and approved by the Board of Directors in June 2016 in accordance with the federal requirements.

Section 5310 applications were due on January 17, 2017. At the conclusion of the solicitation period, EWG staff received 34 Section 5310 applications requesting \$6.343 million in federal funds. Projects proposed for funding were reviewed by EWG staff and evaluated based on the criteria established in the CHSTP. Twenty projects are recommended, totaling \$2.49 million in federal funds. The Section 5310 projects are included in Attachment A.

**Staff Recommendation:** Staff recommends that the FY 2017-2020 TIP, *Connected2045*, and the related Air Quality Conformity Determination be revised to add 20 new Section 5310 projects as detailed in Attachment A. These projects are exempt with respect air quality in accordance with federal regulations (40 CFR 93.126).
