

This Appendix 1 provides more detailed information regarding the criteria and factors that will be used to evaluate each firm during Steps 1, 2, and 5 of the evaluation and selection process. The evaluation criteria and factors for Step 2 and Step 5 are slightly different; the differences are noted below.

Step 1 - Firm Responsibility Factors

The Council's determination of firm responsibility may include, but is not limited to, an evaluation of any one or combination of the following factors, as appropriate for the type and scale of project:

- (a) The firm's corporate profile. *Does the firm have stability and the organizational controls necessary to perform all of the services throughout the entire contract period?*
- (b) The firm's current financial, technical, and resource capacity. *Does the firm have the necessary financial strength, technical skills, and resources (e.g. staff, facilities) or the ability to obtain the resources needed to successfully complete the project?*
- (c) The firm's past performance and record of integrity and business ethics. *Does the firm have a history of successful performance, no history of violating laws, regulations, or rules, and no history of a lack of integrity or business ethics?*
- (d) The firm's compliance with licensing and tax requirements, as applicable. *Does the firm have the licenses required to perform the work? Is the firm compliant with tax regulations and laws?*
- (e) The firm's compliance with applicable public policy. *Is the firm compliant with applicable federal policies?*
- (f) The firm's compliance with applicable affirmative action and DBE requirements. *Is the firm compliant with applicable affirmative action and DBE requirements?*
- (g) The firm's ability to comply with the required delivery or performance schedule for the project when considering the firm's other commitments. *Has the firm devoted sufficient personnel and resources to the project to meet the project deadlines? What percentage of time has the firm's key personnel committed to other projects?*
- (h) The firm's suspension or debarment history. *Does the firm have a history of suspension or debarment by any state or federal authority? Is the firm currently suspended or debarred, or being considered for suspension or debarment, by any state or federal authority?*
