Attention: Betsy Tracy

Dear Ms. Kocher:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.326 are copies of amendments to the 2019-2022 Transportation Improvement Program for the East West Gateway Council of Governments (EWG). The Board of the MPO approved this TIP amendment on April 24, 2019. (TIP). The Board also approved modification of two projects for Illinois.

We consider the estimate of costs included in the Transportation Improvement Program to be realistic. We concur with the fiscal consistency analysis included in the TIP. The total cost of the TIP remains consistent with the amount of funds expected to be available to this area during the TIP time period. The Department, on behalf of the Governor of Illinois, concurs with the projects listed in this TIP.

The State of Illinois would also like to amend its amended FY 2018-2021 Statewide Transportation Improvement Program (STIP) to incorporate this amendment to the EWG 2019-2022 TIP.

Sincerely,

Holly Ostdick
Bureau Chief Planning
