
COORDINATED HUMAN SERVICES TRANSPORTATION PLANNING

BOARD OF DIRECTORS – AUGUST 28, 2019

COORDINATED HUMAN SERVICES TRANSPORTATION PLAN (CHSTP)

- Updated every four years, per FTA requirements
- Current plan approved by Board in 2016
- Develop strategies that improve mobility for seniors and individuals with disabilities
- Facilitate coordination to reduce duplication of services

PLAN COMPONENTS

1. Inventory of existing transportation services available to the target population
2. Assess the transportation needs of seniors and individuals with disabilities
3. Identify gaps between the needs assessment and existing services
4. Develop and prioritize strategies to address gaps and improve mobility

ENGAGEMENT & PLAN DEVELOPMENT

- Surveys available through October 15
 - Transportation Provider Survey
 - Public User Survey
- Tabling at public events
- Stakeholder meetings
 - October 29 at The Heights

SECTION 5310

- FTA program that provides funding for projects that enhance mobility for seniors and individuals with disabilities
- Region must have an approved CHSTP in order to receive Section 5310 funding
- Section 5310 projects must address the gaps and strategies outlined in the CHSTP
- Capital and operating expenses eligible
 - Traditional Projects
 - New Freedom Type Projects
- Approximately \$3.18 million available to program for upcoming solicitation
