RE: FY 2020-2023 Transportation Improvement Program Amendments

Dear Mr. McKenna:

At its September 25, 2019 meeting, the East-West Gateway Council of Governments' Board of Directors amended the Council's FY 2020-2023 Transportation Improvement Program (TIP). The Board approved the addition of one new project and the modification of one existing project for Missouri sponsors.

The enclosed memo and project summary details the approved amendments. These projects are exempt with regard to air quality (40 CFR 93.126). At your request, minutes confirming the action will be forwarded to your offices.

We request that the State Transportation Improvement Program be adjusted to reflect this change so that the project can move toward implementation. If you have any questions concerning the amendment, please contact us.

Sincerely,

Rachael Pawlak
Division Manager
