Attention: Betsy Tracy

Dear Ms. Kocher:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.326 are copies of amendments to the FY 2021-2024 Transportation Improvement Program for the East West Gateway Council of Governments (EWGC). At its September 30, 2020 meeting, the EWGCs' Board of Directors amended the Council's FY 2021-2024 Transportation Improvement Program (TIP). The Board approved the addition of new projects for Illinois sponsors. We consider the estimate of costs included in the Transportation Improvement Program to be realistic. We concur with the fiscal consistency analysis included in the TIP. The total cost of the TIP remains consistent with the amount of funds expected to be available to this area during the TIP time period. The Department, on behalf of the Governor of Illinois, concurs with the projects listed in this TIP.

The State of Illinois would also like to amend its amended FY 2018-2021 Statewide Transportation Improvement Program (STIP) to incorporate this amendment to the EWGC 2021-2024 TIP.

Sincerely,

A handwritten signature in blue ink that reads "Holly Bieneman".

Missouri New Projects

The City of Kirkwood (TIP# 7101-20) was recently awarded MoDOT Cost Share funds for pedestrian improvements along MO 100 (Manchester Road). MoDOT Cost Share funds are allocated to projects following a statewide solicitation for project applications.

The City of O’Fallon, MO (TIP# 7063B-20) was recently awarded MoDOT Cost Share funds for a new outer road and interchange revisions along I-70 at MO K. This project is regionally significant with regards to air quality and is included in the FY 2021-2024 Air Quality Conformity Determination. MoDOT intends to use advance construction¹ for the Cost Share portion of this project.

¹ Advance construction is a mechanism that enables a sponsor to start construction using non-federal funds, with the understanding that it may later convert the project to federal-aid funding and receive federal reimbursement. To be eligible for conversion, the project must qualify for federal funds.

Additionally, MoDOT has requested to add four new projects to the FY 2021-2024 TIP. MoDOT intends to use advance construction for TIP# 6992E-20, 6992Q-21, and 6992N-20, meaning that these projects initially will be funded with 100 percent state funds from MoDOT’s operations budget until federal funds become available.

Missouri State Parks has received funding through the Recreational Trails Program to resurface a shared-use path at Babler Memorial State Park. The Recreational Trails Program provides funds to develop and maintain recreational trails and trail-related facilities for both non-motorized and motorized recreational trail uses. Projects are selected following a statewide project solicitation by the Missouri Department of Natural Resources.

These projects are summarized below:

New Projects - Missouri					
Sponsor / TIP #	Title – Limits	Description of Work	County	Federal Cost	Total Cost
Kirkwood / 7147-21	MO 100 – Meier Lane to Kirkwood Road	Pedestrian improvements	St. Louis	\$1,105,313	\$2,516,334
O’Fallon / 7063B-20	I-70 South Outer Road – MO K to west of Woodlawn	New outer road/interchange revision	St. Charles	\$0	\$4,814,739
MoDOT / 6992E-20	MO H – Washington County line to MO 21	Resurfacing, guardrail upgrades, add shoulders	Jefferson	\$0	\$4,520,000
MoDOT / 6992Q-21	MO W/MO FF – MO W: MO 109-MO 30; MO FF: MO F-MO 109	Pavement preservation	Jefferson	\$0	\$820,000
MoDOT / 6992O-20	I-55 – Weber Road to Lindbergh Boulevard	Pavement repairs	St. Louis	\$770,400	\$856,000
MoDOT / 6992N-20	MO 185/MO H – Various locations in Franklin County	Pavement preservation	Franklin	\$0	\$600,000

New Projects - Missouri					
Sponsor / TIP #	Title – Limits	Description of Work	County	Federal Cost	Total Cost
Missouri State Parks / 6893D-21	Babler Memorial State Park Multi-Use Trail – Guy Park Tunnel to Campground and Crystal Springs Restroom to Guy Park Trailhead	Resurface shared-use path	St. Louis	\$120,510	\$150,638
TOTAL:				\$1,996,223	\$14,277,711

Missouri Modified Projects

MoDOT has requested to modify one project currently programmed in the TIP. St. Charles County received Cost Share funding that they are going to incorporate into TIP# 6806E-18. St. Charles County is also including its own funding into this project. This project is regionally significant with regards to air quality and is included in the FY 2021-2024 Air Quality Conformity Determination.

This project is summarized below:

Modified Project - Missouri				
Sponsor / TIP # / County	Project Title - Limits	Description of Work	Current Cost / Revised Cost	Reason for Change
MoDOT / 6806E-18 / St. Charles	I-70/I-70 Outer Road – Cave Springs to Fairground	Corridor improvements & bridge rehabilitation	\$39,187,255 / \$64,051,000	Cost increase greater than 15% to include \$10 million in Cost Share.funds. Also includes additional funding from St. Charles County.

Staff Recommendation: Staff recommends that the FY 2021-2024 TIP, *Connected2045*, and related Air Quality Conformity Determination be revised to add 17 new projects and modify one existing project as summarized above and detailed in the attachment. These projects are exempt with respect to air quality in accordance with federal regulations (40 CFR 93.126, 93.127), are not regionally significant, or have been included in the regional air quality model.
