Memo to: Board of Directors

From: Staff

Subject: Modifications to the FY 2021-2024 Transportation Improvement Program (TIP), *Connected2045*, and the Related Air Quality Conformity Determination – Requested by Missouri and Illinois Sponsors

Date: April 12, 2021

Madison County Transit District and the Missouri Department of Transportation (MoDOT) have requested to amend the FY 2021-2024 TIP, *Connected2045*, and the related Air Quality Conformity Determination. In all, they are requesting to add one new project, modify two projects, and add one scoping project. This memo outlines the requested changes.

Illinois New Project

Madison County Transit District has requested to add one new project to the FY 2021-2024 TIP. This project is summarized below.

New Project – Illinois					
Sponsor / TIP #	Title – Limits	Description of Work	County	Federal Cost	Total Cost
Madison County Transit District / 7145P-21	Granite City Transit Station	Renovation	Madison	\$400,000	\$500,000
TOTAL:				\$400,000	\$500,000

Missouri Modified Projects

MoDOT has requested to modify two projects currently programmed in the FY 2021-2024 TIP. Due to cost savings from other projects in the current fiscal year, these projects are being advanced from FY 2022 to FY 2021.

These projects are summarized on the following table:

Gateway Tower
One Memorial Drive, Suite 1600
St. Louis, MO 63102-2451

Missouri Scoping Project

MoDOT has requested to add one scoping project. MoDOT's scoping policy is intended to ensure that projects have defined scopes and construction cost estimates before they are committed to the TIP. At this time, there is no construction funding committed to these projects and the projects entail preliminary engineering only (30 percent engineering).

This project is summarized below:

Scoping Project - Missouri					
Sponsor / TIP #	Title – Limits	Description of Work	County	Fed/Total Cost for Design	Est. Cost Range for Construction
MoDOT / 7171C-21	MO 366 – Geyer Rd to St. Louis City limits	Pavement resurfacing and ADA transition plan improvements	St. Louis	\$646,400 / \$808,000	\$15 million to \$25 million

Staff Recommendation: Staff recommends that the FY 2021-2024 TIP, *Connected2045*, and related Air Quality Conformity Determination be revised to add one new project, modify two projects, and add one scoping project as summarized above and detailed in the attachment. These projects are exempt with respect to air quality in accordance with federal regulations (40 CFR 93.126).
