Subject: Transportation Improvement Program Amendments –
East-West Gateway Council of Governments

Dear Mr. Vanderhoof:

The Federal Highway Administration (FHWA) approves the East-West Gateway Council of Governments (EWGCOG) Illinois Transportation Alternatives Program amendments to the FY 2021-2024 (EWGCOG) Transportation Improvement Program, and the FY 2021-2024 Statewide Transportation Improvement Program (STIP) as submitted with your letter dated July 1, 2021.

Based on the FHWA Illinois Division's ongoing Federal oversight of the planning activities at the EWGCOG Metropolitan Planning Organization, we find that the transportation planning process of this region substantially meets the planning requirements described in 23 CFR 450. We can now consider project authorization requests related to this STIP amendment.

Attention: Betsy Tracy

Dear Ms. Kocher:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.326 are copies of amendments to the 2021-2024 Transportation Improvement Program for the East West Gateway Council of Governments (EWGC). At its June 30, 2021 meeting, the EWGCs' Board of Directors amended the Council's FY 2021-2024 Transportation Improvement Program (TIP). The Board approved the addition of new projects for Illinois sponsors.

We consider the estimate of costs included in this Transportation Improvement Program to be realistic. We concur with the fiscal consistency analysis included in the TIP. The total cost of the TIPs remains consistent with the amount of funds expected to be available to this area during the TIP time period. The Department, on behalf of the Governor of Illinois, concurs with the projects listed in this TIP.

The State of Illinois would also like to amend its FY 2021-24 Statewide Transportation Improvement Program (STIP) to incorporate these amendments to the EWGC FY 2021-2024 TIP.

Sincerely,

Subject: Modifications to the FY 2021-2024 Transportation Improvement Program (TIP), *Connected2045*, and the Related Air Quality Conformity Determination – Requested by Missouri and Illinois Sponsors

Date: June 15, 2021

The Illinois Department of Transportation (IDOT) and Missouri Department of Transportation (MoDOT) have requested to amend the FY 2021-2024 TIP, *Connected2045*, and the related Air Quality Conformity Determination. In all, they are requesting to add nine new projects, modify one project, and add two scoping projects. This memo outlines the requested changes.

Illinois New Projects

IDOT has requested to add eight new projects to the FY 2021-2024 TIP. Funding for these projects is coming from the district safety set-aside (6686X, 6686Y, and 6686Z), Coronavirus Response and Relief Supplemental Appropriations Act (7146Z), and cost savings from other projects during the current fiscal year (the remainder of the projects).

At this time, there is no construction funding committed to these projects and the projects entail preliminary engineering only (30 percent engineering).

The projects are summarized on the following table.

Staff Recommendation: Staff recommends that the FY 2021-2024 TIP, *Connected2045*, and related Air Quality Conformity Determination be revised to add nine new projects, modify one project, and add two scoping projects as summarized above and detailed in the attachment. These projects are not regionally significant or exempt with respect to air quality in accordance with federal regulations (40 CFR 93.126).
