

FY 2023-2026 Transportation Improvement Program & Air Quality Conformity Determination

PUBLIC COMMENT
PERIOD:

JULY 1, 2022 –
AUGUST 4, 2022

EAST-WEST GATEWAY
Council of Governments

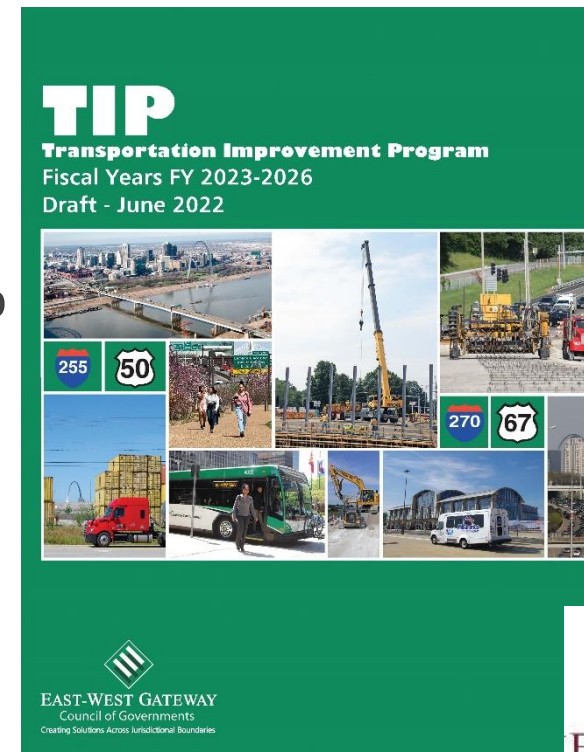

Creating Solutions Across Jurisdictional Boundaries

Transportation Improvement Program

Annually updated program of projects

Projects must be included in the TIP to access federal funds

Board adopted policies utilized to develop the document

EAST-WEST GATEWAY
Council of Governments

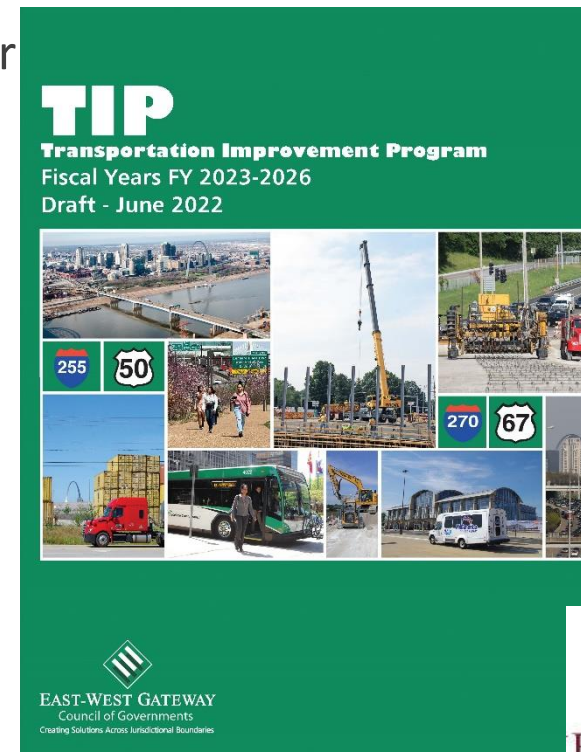

Creating Solutions Across Jurisdictional Boundaries

Transportation Improvement Program

Listing of proposed projects over next four years including:

- Project limits
- Description
- Length
- Total cost
- Federal funds proposed to be utilized
- Year of implementation

Demonstrates fiscal constraint

EAST-WEST GATEWAY
Council of Governments

Creating Solutions Across Jurisdictional Boundaries

Transportation Improvement Program

Covers Illinois and Missouri counties within the East-West Gateway Region

Includes projects scheduled for construction

- Projects advertising for bids or underway are typically not included
- Begins October 1, 2022
- Ends September 30, 2026

Projects in the TIP are included in Appendix B of the document.

- Categorized as:
 - new
 - reprogrammed (carryover from prior TIP)

EAST-WEST GATEWAY
Council of Governments

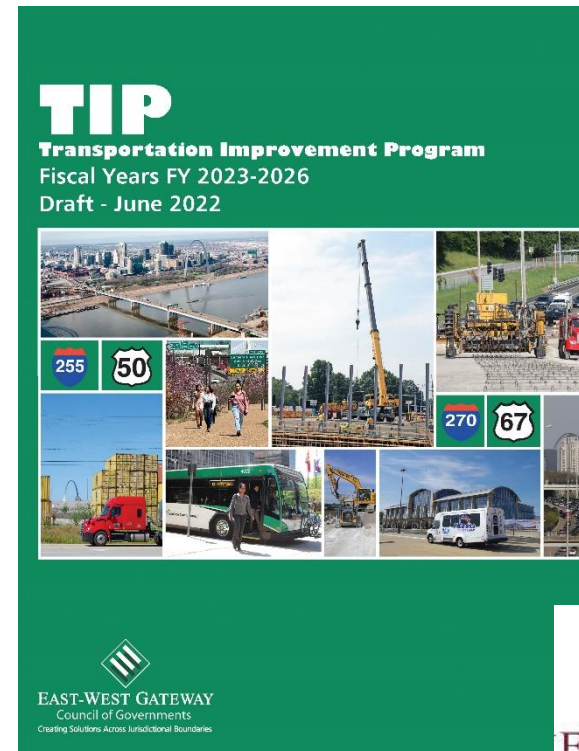

Creating Solutions Across Jurisdictional Boundaries

Transportation Improvement Program

Transportation programs included:

- Missouri Department of Transportation (MoDOT)
- Local agencies with federally funded projects
- Transit providers including:
 - Bi-State Development (aka Metro)
 - Madison County Transit District

Illinois Department of Transportation (IDOT) program not included – Has not been released by Governor

Creating Solutions Across Jurisdictional Boundaries

Air Quality Conformity Determination

East-West Gateway Region in non-attainment or maintenance of National Ambient Air Quality Standards for ozone

Projects must be analyzed to determine conformity with air quality plans and budgets

All projects must be included in the analysis -
- regionally significant projects are “called out” and scrutinized

- Examples of regionally significant include:
 - New major road
 - Added through lanes to major road
