Subject: Transportation Improvement Program Amendments  
East-West Gateway Council of Governments

Dear Mr. Vanderhoof:

The Federal Highway Administration (FHWA) approves the East-West Gateway Council of Governments (EWGCOG) Illinois Transportation Improvement Program amendments to the FY 2022-2025 (EWGCOG) Transportation Improvement Program, and the FY 2021-2024 Statewide Transportation Improvement Program (STIP) as submitted with your letter dated September 2, 2022.

Based on the FHWA Illinois Division's ongoing Federal oversight of the planning activities at the EWGCOG Metropolitan Planning Organization, we find that the transportation planning process of this region substantially meets the planning requirements described in 23 CFR 450. We can now consider project authorization requests related to this STIP amendment.

Sincerely,

Elizabeth R. Tracy

Attention: Betsy Tracy

Dear Ms. Kocher:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.326 are copies of amendments to the 2022-2025 Transportation Improvement Program for the East West Gateway Council of Governments (EWGC). At its August 31, 2022 meeting, the EWGCs' Board of Directors amended the Council's FY 2022-2025 Transportation Improvement Program (TIP). The Board approved the addition of new projects for Illinois sponsors.

We consider the estimate of costs included in this Transportation Improvement Program to be realistic. We concur with the fiscal consistency analysis included in the TIP. The total cost of the TIPs remains consistent with the amount of funds expected to be available to this area during the TIP time period. The Department, on behalf of the Governor of Illinois, concurs with the projects listed in this TIP.

The State of Illinois would also like to amend its FY 2021-24 Statewide Transportation Improvement Program (STIP) to incorporate these amendments to the EWGC FY 2022-2025 TIP.

Sincerely,
